

Forest Schools

Our Forest Schools Programme

Forest School is a child-centred inspirational learning process, that offers opportunities for holistic growth through regular sessions. It is a long-term programme that supports play, exploration and supported risk taking. It develops confidence and self-esteem through learner inspired, hands-on experiences in a natural setting.

Our Forest School is run by our level 3 Forest School Leader – Miss Quilter. Miss Quilter runs sessions in our very own forest school area situated on site. Children take part in a variety of fun, confidence-building activities such as den building, woodcraft, fire lighting and many more.
