

Science Whole School Breadth Overview Knowledge Map

	Foundation	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Unit 1	Biology Animals & Plants	Our Changing World: Sensing Seasons	Our Changing World	Our Changing World:	Our Changing World:	Our Changing World:	Our Changing World:
Unit 2	Chemistry Objects & Materials	Biology: Our senses	Biology: What's in your habitat?	Biology: How does our garden grow?	Biology: Where does all the food go?	Biology: Circle of Life	Biology: Nature Library
Unit 3	Physics: Light, Space, Electricity & Movement	Our changing World: Animal Antics	Chemistry: Materials: Good Choices	Chemistry: Rock Detectives	Chemistry: States of Matter	Biology: Reproduction in plants & animals	Biology: Everything Changes
Unit 4	Our Changing World: The Local Environment	Biology: Looking at Animals	Chemistry: Materials: Shaping Up	Biology: Can you see me?	Physics: Sound: Good Vibrations	Chemistry: Sorting Materials & Everyday Materials	Biology: Body Pump
Unit 5	-	Our Changing World: Plants	Biology: The Apprentice Gardener	Physics: The Power of Forces	Physics: Electricity: Switched on	Chemistry: Marvellous Mixtures	Biology: Body Health
Unit 6	-	Biology: Plant Detectives	Biology: Take Care	Biology: Amazing Bodies	Biology: Who am I?	Chemistry: Reversible and Irreversible changes	Physics: Danger! Low Voltage
Unit 7	-	Chemistry: Everyday Materials	Biology: Growing Up	-	Biology: Human Impact	Physics: Feel the Force	Physics: Light up your World
Unit 8	-	-	-	-	-	Physics: The Earth & Beyond	-
