It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> - Attainment for P.E was good across the school with the vast majority of children working at age related expectations. - CPD from Sports Coach supported teachers with the delivery of P.E leading to improved confidence and subject knowledge. - An increasing number of children are able to swim 25 metres at the end of Key Stage 2. - Enhanced extra curricular provision for sport and curricular enrichment activities has raised engagement levels for children. This has allowed more children to: learn new skills; compete in festivals and tournaments; develop sportsmanship and a sense of community; and improve children's mental health and well-being. - Children were provided with an opportunity to participate in outdoor adventurous activities. - An increased number of vulnerable and disadvantaged children engaged in after school clubs and physical activities. 	<ul style="list-style-type: none"> - Work with Milton Keynes Sports Partnership to develop an enhanced programme of CPD for both leaders and teaching staff. - Work with expert providers to lead, coach and mentor teachers during PE lessons. - Work with experts to provide a range of high quality after school sports clubs. - Continue to enhance our extra curricular activities (after school clubs) - Explore a range of alternative providers who can offer a broader range of high quality clubs e.g. Ride High, basketball, dance and badminton. - Work with experts to provide a programme of festivals and tournaments in a broad range of sports. - Explore more opportunities to bring experts from the community to provide enrichment opportunities. - Introduce regular physical activity breaks to improve confidence and self-esteem, increased energy, better memory, and simply a good feeling about themselves - Provide additional swimming lessons for Year 6 pupils to ensure a greater number of pupils are able to swim 25 metres at the end of Key Stage 2. - Plan outdoor adventurous activities for all year groups - Introduce sports leaders to raise the profile of sport and represent pupil voice.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for

Academic Year: 2021/22		Total fund allocated: £20000	Date Updated: September 2021
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school			Percentage of total allocation: 17%
			Swimming lessons: £1,300 Equipment: £2,000
Intent	Implementation	Impact	
To increase opportunities for children to be active throughout the whole school day	<p>Children have additional physical activity breaks throughout the day to improve confidence and self-esteem, increased energy, better memory, and simply a good feeling about themselves. Children will have a 3 minute movement break by participating in the active run.</p> <p>Every child has an entitlement to two hours of high quality physical activity per week.</p> <p>All children have access to an additional two and a half hours of active play through organised activities at breaks and lunches led by adults on duty e.g. football, basketball, hockey, tennis, team building and problem solving games.</p> <p>Children have access to a wide variety of engaging equipment that motivates and challenges children.</p>	<p>Year 6 have launched this initiative with an active break (run a lap around both playgrounds or field) This means that children have been more focused in the second half of the afternoon and have received an additional 25 minutes of physical activity per week.</p> <p>Two hours of physical activities has been timetabled into the curriculum offer for all. When children go swimming, they receive an additional hour of physical activity (3 mile walk) by walking to the leisure centre.</p> <p>Children are highly engaged at break and lunch times, experiencing a variety of different sports e.g. basketball, cricket, football, hockey, tennis, table tennis led by a mixture of expert coaches and key staff.</p> <p>High quality resources such as javelins, hula hoops, skipping ropes, balance boards and stilts motivates and</p>	

		challenges children through our enhanced lunchtime offer.	
Provide additional swimming lessons for Year 6 pupils to ensure a greater number of pupils are able to swim 25 metres at the end of Key Stage 2.	Children receive 12 x 30 minutes swimming sessions. Expert Swimming Coaches deliver high quality swimming sessions.	Following the National Lockdown and two years of disruptive education, where children have not been able to go swimming with their families, 100% of Year 6 children are now able to keep themselves safe in the water and 63% can use a range of strokes effectively.
